Sunday June 8th Smithville Park
The Annual Burlington County Earth Fair

- 8:00 AM Student Team Vehicles and displays (one vehicle from each school), Hobbit's Prius Display, and one Plug Hybrid only. (space limited this year) All cars must be parked by 9:30 A.M. or they will not be allowed in Position of vehicle will be on a first come first served basis. In case of everyone being present at 8:00 AM, choice will be based upon Saturday's competitive scores.
- 9:30 AM All cars positioned
- 10:00 AM All student displays ready for the public.
- 10:30 -12:00 AM Tour Town Meeting to discuss next year's event. Meeting will held close to the display site.
- 3:00 PM Presentation of the "Crown Pleaser" Award. to the student team whose car most excites the crowd.
- 4:00 PM All participants are expected by the Earth Fair Director to remain until 4:00 PM We will **not** be the first to leave.
- 4:00 PM Presentation of the Best Student Team Presentation Award (all teams are Expecte to remain for that award.)
- 4:10 PM Presentation of any awards that were not presented Saturday evening.
- 4:15 PM Pictures for participants teams and NESEA volunteers
- 4:30 PM All participants and volunteers **free to go**. (Please remain until 4:30 PM pictures, parting words, exchange of information, and fond farewells are the right thing to do. "Splitting prematurely," letting others clean up, skipping pictures and missing proper good byes send the wrong message. Remember the party is less fun when you leave.
- 4:30 PM Final Town Meeting to discuss future of the Event (for those interested.)
- 5:30 PM "Dinner for the Road" at the Vincentown Diner (for those interested at your own expense)

The Town Meeting and Dinner could be combined. We can decide that later.
